ARENT & PYKE: A DECADE IN DESIGN DINNER
Sean's Panorama, Sydney

Fabulous spring flings

Longer days were perfect for celebratory soirées.

DYNAMIC DESIGN DUO Sarah-Jane Pyke and Juliette Arent marked a decade together in business by hosting a beautiful dinner at Sean's Panorama in Sydney's Bondi. It was a perfect spring evening for the pair to reminisce with industry friends while the Bollinger flowed and Sean's signature fare was served. Owner of furniture emporium Jordan, Nick Garnham, threw open the doors to his exquisite pink Sydney flagship store with a fabulous drinks party. OSK Group launched its Melbourne Square development with a veritable smorgasbord of the city's culinary hotspots such as Chin Chin and Movida on site as pop-ups. Range Rover unveiled the new Velar at a swish soirée in a glamorous abode in Mosman, Sydney. Brickworks showed off its sophisticated new San Selmo bricks at an Italian-inspired lunch at a harbourside home. Champagne house Perrier-Jouët celebrated Sculpture by the Sea with am and pm parties.
